POLLED SHORTHORN SALE
Saturday, June 3, 1972
At Pleasant Valley Farms
BRANDON, IOWA

ON THE FRONT COVER

KENMAR LEADER 21A x, pictured on the cover, will sell as Lot 1. Offering one-third interest and possession of this great breeding bull. His calves are here and are outstanding. See them on sale day. We will continue to use him heavily, artificially. He weighed more than 2,100 pounds on his third birthday.

Kenmar Leader 21A x, Lot 1. He is shown here with young Angela Stirm.

STIRM — DEMPSTER — MANN
POLLED SHORTHORN PRODUCTION SALE

With Guest Consignment from Gary Braet

SATURDAY, JUNE 3, 1972

BRANDON, IOWA

At Ralph Stirm's Pleasant Valley Farms

"The Largest Polled Shorthorn Sale of the Year"

GENERAL SALE INFORMATION

TIME — 12:00 Noon, Saturday, June 3, 1972.

LOCATION — Ralph C. Stirm's Pleasant Valley Farm, Brandon, Iowa. Those traveling from Waterloo, Iowa should drive east on Highway 20 to Jesup. Then go 7 miles south to the Shady Grove Store, then one and one-half miles east and one-half mile south to the farm.

LUNCH — Will be available on sale day.

TELEPHONE — Ralph Stirm (319) 827-6816 Louis Dempster (319) 633-3738
Miles Mann (712) 647-2236 Roy Rutledge (712) 647-2905
Gary Braet (319) 843-3110

SALE DAY TELEPHONE — (319) 827-6816

TRANSPORTATION — Nearby Waterloo, Iowa, is served by good highways from all directions. There is reliable air service to Waterloo from all parts of the country. Rental cars are available at the airport, but we'll be happy to meet your plane if advance notice is given to any of the consignors or to the sale manager. Those arriving in small private planes may land at LaPorte City, Independence, Cedar Rapids or Waterloo.

BREEDING Dates — A list showing service dates and other vital information will be provided sale day. All information from the auction block takes precedence over data in the catalog.

GUARANTEE — All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. A condition of this guarantee is that notice of failure to breed must reach the seller within six months of the sale. All stock is at the buyer's risk as soon as bid off, but every precaution will be taken for their safety. The terms of the sale are cash. Settlements must be made with the clerks at the conclusion of the auction and before any cattle are removed from the premises.

HEALTH — All cattle selling will comply with the health regulations of the state of Iowa and health certificates will be provided with each lot sold. All bulls selling will have passed a negative test for brucellosis within 30 days of the sale. All females will have passed a negative brucellosis test within 30 days of the sale except vaccinated females 24 months or younger on sale day. All animals selling will have passed a negative tuberculosis test within 30 days of the sale.

LIABILITY — The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Those working on the sale — including the sale manager and his staff, the auctioneers, clerks and ringmen — were hired for specific promotional and clerical tasks not connected with the condition of the premises. They accept no liability for the contract or for any accident that may occur. Accidents at cattle sales are very rare, but all who attend do so strictly at their own risk. Neither the owners, the helpers or the sale manager can be responsible for any accidents but they will make every effort to provide for the safety and comfort of those attending. Where footnotes appear in this catalog, they were furnished by the owners.

SALE HEADQUARTERS — The Ramada Inn, First & Washington Streets, Waterloo, Iowa. Telephone (319) 235-0321. Reservations may be made direct or to the sale manager or the owners of any of the cattle selling. Transportation will be provided from the inn to the farm the morning of the sale. We also recommend the XL Motel, 811 South Street, Jesup, Iowa. Telephone (319) 827-6448. The Clover Leaf Motel, Highway 20, Jesup, Iowa. Telephone (319) 827-9042.

ARRIVE EARLY — Arrive early and be our guest at an informal gathering in the Spanish Suite of the Ramada Inn at 7:00 p.m. Friday, June 2, the night before the sale. Come as you are.

MAIL ORDERS — Those unable to be at the sale may send buying orders to any of the following reliable men, all of whom will attend.

C. D. Swaffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

Harris Simons, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Al Hamann, secretary, Iowa Shorthorn Ass'n, Rock Rapids, Iowa.

Mike Kershaw, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Gene Fitzgerald, The Drovers Journal, 1505 Genesee St., Kansas City, Mo.

C. K. Tomson, Harding and Harding Livestock Insurance, Geneva, Ill.

Arch Stone, Wallace's Farmer, Des Moines, Iowa.

AUCTIONEERS — Merrill Anderson, Broadlands, Ill., and Warren Collins, Jesup, Iowa.

INSURANCE — Will be available from the clerks.

HARRIS SIMONS, Sale Manager

16 S. Locust St., Aurora, Illinois 60506

Tel: (312) 896-8511

Welcome to Pleasant Valley

Angie Stirm

It is with particular pleasure that we anticipate your arrival at Pleasant Valley for this fourth annual Polled Shorthorn production sale.

Much has happened since our last sale in September of 1970 and we are anxious to show you. This catalog will be your preview, but we urge you to see in person the progress we are making. We are impressed with the first calves by Butte Lee Leader 45th x and Kenmar Leader 21A x. In all modesty we believe they are the best breeding bulls ever to walk the pastures at Pleasant Valley.

This year marks the first year, too, that we are joined in this sale by our good friends Miles Mann, Woodbine, Iowa, and Gary Braet, Calamus, Iowa. Frank and Louis Dempster, Arlington, Iowa, return with a consignment bigger and better than any they have ever offered. We recommend the cattle of our consignors as we do our own. They are fine people and they have catalogued their best.

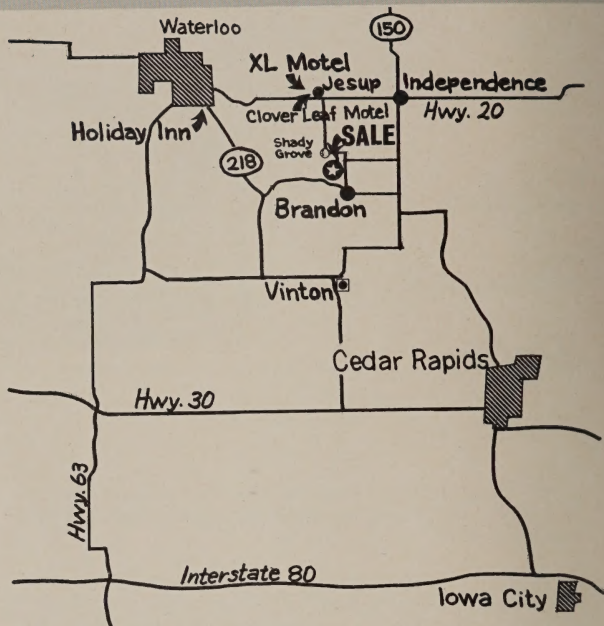

Come early sale weekend. We'll do our best to make you comfortable and to insure a profitable weekend for you.

Cordially,

The Stirms

Ralph, Doreen

Patty, Angie

**SALE HEADQUARTERS
THE RAMADA INN**
First & Washington St.

Waterloo, Iowa
Tel: (319) 235-0321

We also recommend the following for those who wish to stay closer to the farm.

THE XL MOTEL
811 South St.
Jesup, Iowa
Tel: 827-3941

THE CLOVER LEAF MOTEL
Highway 20
Jesup, Iowa
Tel: 827-3401

ARRIVE EARLY

Come as early as you like on sale weekend to see the entire Pleasant Valley herd. The Dempster herd is nearby and they would enjoy your visit. . . . Light refreshments will be served the afternoon before the sale at the farm. Lunch will be available sale day as well.

These are sons of Gloriadale Supreme x at Frank and Louis Dempster's, Arlington, Iowa. The sons and daughters of this 100% dehorner are a feature of their sale consignment.

From the Sale Manager

It is a real pleasure to be associated with what is the largest Polled Shorthorn sale on the spring schedule and certainly one of the best.

When Ralph Stirm began this sale series in 1968 it was with the strict intention of establishing a strong source in the Midwest to which breeders could annually look for top Polled Shorthorns in quantity.

That this has been achieved is proved by the sale averages, each of which has been higher than the previous one. It is proved by the quality of these cattle in the hands of others. One of the featured bulls in the 1971 Louada sale was from a Stirm cow. One of the top female lots of the 1971 Remitall sale was a Dempster cow. These cattle have sold to discriminating breeders from throughout the country and have done well.

Further, they are backed by a reputation of integrity and solidarity. No guarantee in the business is as reliable as that of Ralph Stirm and his guest consignors.

You'll be impressed by the stock bulls in each of the herds and by the young cattle they are offering. Each has done his best to sell only good ones. That's why buyers keep coming back, year after year.

You'll like the people you meet at Pleasant Valley on June 3. Almost unquestionably their cattle will be profitable for you as they have been for so many others.

HARRIS SIMONS
The Shorthorn World

Be where the action is on June 3 in the comfortable sale ring at Ralph Stirm's Pleasant Valley Farm.

BE OUR GUEST

Arrive as early as you like on sale weekend, but plan definitely to be our guest for lunch on Friday, June 2, the day before the sale. Refreshments will be available throughout the afternoon so that you can inspect all of the sale cattle at leisure.

That evening you are invited to a come-as-you-are gathering in the Spanish Suite of the Ramada Inn in Waterloo. Reservations are not necessary. But do plan to be with us and your fellow Polled Shorthorn breeders from throughout the country.

This is the new home of the Ralph Stirm family at Pleasant Valley where a cordial welcome always awaits you.

BUTTE LEE LEADER 45th x — This top herd sire was purchased from Thomas Farms, Hartney, Manitoba. He's a son of TPS Coronet Leader 21st x, selected by the American Shorthorn Ass'n as the 1969 "Sire of the Year," and is from the same Edgar Philpott family as the many-times champion, Butte Lee Pansy 2nd x, that was grand champion of the 1968 Northern International at Billings and is now owned by Howard Gibbs, Morton, Sask. Leader 45th x is already a proved sire. His sons at the 1970 Douglas, Manitoba, test station were the top-gaining group and included the top individual that weighed 1,115 pounds at 12 months. The entire group averaged 1,070 pounds with an average index of 100. You can buy his get and service June 3.

The bull on the outside is P V Constructor 7th x as a yearling. Two-thirds interest and possession sold to Charles Cofer, Antigo, Wis., but he has continued to be used in the Stirm herd and his get are included in this sale.

P V CONSTRUCTOR 7th x — A dark red son of Gloriadale Constructor x with an excellent official I.B.I.A. performance record. Adjusted weaning weight 500 pounds (no creep); gain per day 2.05 pounds; weaning index 140; 365-day weight. This calf gets his size and rate-of-gain from his sire, Gloriadale Constructor x, with an official Canadian A.D.G. of 2.86 pounds, and also from his dam, a Lancaster. The Lancasters are one of our best families noted for size, good udders and exceptionally good feet that need no trimming. They are also especially long-lived and are consistent breeders. He is owned with Charles Cofer, Antigo, Wisconsin.

Kenmar Leader 21A x, Lot 1, and a few of his oldest calves.

KENMAR LEADER 21A x—It was with a great deal of hesitation that we decided to offer this outstanding breeding bull, but as I now have the set-up here for artificial insemination, and since Butte Lee Leader 45th x is also breeding so well, I am offering **one-third interest and possession**. This is an outstanding breeder, fast and sure. His semen tests excellent and we reserve the right to collect more at any time at our expense. His first two bull calves here are outstanding stock bull prospects with exceptional size, length of leg and body. See them on sale day. The 21A x is definitely a breeding bull, transmitting both size and quality. He weighed just over 2,100 pounds the day before his third birthday, March 22, 1972, and should continue to grow as a three-year-old. 9

TRANSPORTING YOUR PURCHASES

No matter where you live, shipping your purchases home should be accomplished with little difficulty. Pleasant Valley Farm is centrally located and good truckers are available in the area who make weekly shipments of cattle to various parts of the country. Past experience indicates that a number of buyers from a distance will bring their trucks and they are always willing to help with group shipments. Everyone connected with the sale is willing to board your purchases at their farms for a reasonable length of time without charge until the most economical shipping arrangements can be made.

GLORIADALE SUPREME x — He was originally purchased for the Dempster herd as the top Polled Shorthorn bull of his year at the Canadian International Bull Sale. He is by Gloriadale Meteor 5th x, one of the truly great Polled Shorthorn bulls in Canada. His dam was the top open heifer of the Hi Ho dispersion and produced her last calf at the age of 16. Supreme himself was the top-gaining bull on official Ontario performance test. As a seven-year-old he sold at the top of the Marlboro Dispersion back to Gloriadale Farms where he is in service today. The value of his daughters is almost priceless and 13 of them sell. 31

T P S CORONET CATALYST 18th x—He is one of the good breeding bulls of the decade as his sons and daughters selling will easily prove. He was grand champion of the 1969 American Royal, won his class at Chicago and was Reserve All-American two-year-old. As a special feature, the Dempsters will offer two lots of semen of 44 vials each from this great proved sire. The semen is now on storage at Carnation Breeding Service, Waterloo, Wis. Transportation from Wisconsin to your local inseminator is at the buyer's expense. Here is a rare opportunity to take advantage of one of the truly good, big bulls in service anywhere today.

A UNIQUE OFFERING

The Frank and Louis Dempster draft to this sale is unique among most cattle sales. They are offering 17 half sisters by the All-American TPS Coronet Catalyst 18th x and 13 half sisters by the 100% dehorning Gloriadale Supreme x. Further, the Supreme daughters have calves by or are in calf to Catalyst 18th x.

The quickest and surest way to success in the cattle business is through a herd of closely related females in calf to great bulls. Rarely, however, are so many good half sisters available in quantity. Some far-sighted breeder would be well-advised to buy one or both of these groups and take a giant step into the future.

FOUR DEES COMMAND 50th x — Called the "grand old man of Polled Short-horns"; his sons and daughters are in the best herds in the country. At the age of 13 he was sold to Louada Manor Farms in Canada. He is gone now so this will be your last opportunity to buy his sons and daughters in quantity. They made up all of the tops in the 1970 International Holiday Sale and two daughters were two of the top-selling females in all of North America in 1971. He's one of the best Polled Shorthorn bulls used in the last two decades and his name will add value to any pedigree.

Boa Kae White Tornado x was acknowledged as the best bull of his year at the Canadian International Bull sale. He was used extensively in the Fair Acres herd and is being followed by a son, Fair Acres Justright x, whose pedigree is below.

Fair Acres Justright x3472-471

FAIR ACRES JUSTRIGHT x — He is a grand young bull that combines the best of the two most recent herd bulls at Fair Acres. He is by Boa Kae White Tornado x, pictured above, and is out of a dam by Four Dees Command 50th x. Further, his dam is from the reliable Augusta family that has been good at Fair Acres for generations. All of the Fair Acres bred females selling carry his service.

FAIR ACRES GOLDFINDER x—By Boa Kae White Tornado x and out of a Bertha's Royal Leader x dam. This is the same cross that produced Fair Acres Tornado 2nd x that sold in the Holiday sale at \$2,500 to the Johnson Brothers in Iowa, where he is doing a top job. To make him even better, his dam, Goldie 4th x, produced the great white bull, Four Dees Goldfinder x, in service in the herd of Senator Dodge, Fallon, Nev. This bull stood second in a large class at the 1970 Iowa State Fair. He should be shown again this year, as he would be hard to beat as a senior yearling. We have used him and should have his calves on the ground by sale time.

FAIR ACRES PRENTICE x—This bull is by Boa Kae White Tornado x and out of a dam by Four Dees Command 50th x. She was reserve grand champion at the Ak-Sar-Ben show in Omaha as a heifer and she is now one of our best cows. Prentice x is bred just like the five Tornado x bulls that averaged \$1,900 in the 1970 Holiday sale. He is from the same cow family that produced Four Dees Corporal x and Augusta Sue x that sold to Mrs. W. C. Pitfield, Montreal, Quebec, for \$1,400. He is a dark, even roan and will easily make a ton bull. He was used heavily last year. He bred 40 cows and we have calves on the ground by him now that are tops. This is one of the better bulls that Fair Acres has ever produced.

From left are Fair Acres Premium x, Lot 66; Fair Acres Gibraltar x, not selling, and Fair Acres Marquis x, Lot 67.

FAIR ACRES PREMIUM x—A son of the grand old bull, Four Dees Command 50th x, this bull could do all right in the shows this year as a spring yearling. He is real dark red and one of the good bulls to be sold this year. He is almost a full-brother to the Golden Chain heifer that sold in the Four Dees dispersion to Darrell Bandy, Blue Mound, Ill., for \$925. She has developed into a good cow.

FAIR ACRES GOLDIE 13th x — This daughter of Four Dees Command 50th x is a real smooth heifer that anyone would like. Ellis Shaffer of Royal Center, Ind., purchased a full-sister in the 1970 Holiday Sale. He says she is one of his top cows. Remember, the second highest Polled Shorthorn in the United States and also the second highest Polled Shorthorn female selling in Canada at auction in 1971 were both sired by the great Four Dees Command 50th x. The old bull is gone now, so there won't be too many more of his daughters offered for sale. Goldie 13th x sells calfhood vaccinated and bred to Fair Acres Justright x.

FAIR ACRES AUGUSTA 11th x — By Four Dees Souvenir x that weighed more than a ton. This is one of the good heifers to sell this year. She was grand champion at the Southwest Iowa District Show and also at several Iowa county fairs. The champion and top-selling female at the 1972 Iowa Royal was sired by a three-quarter brother to this heifer. To make her even more attractive, she is served to our young junior herd sire, Fair Acres Justright x, by Boa Kae White Tornado x and out of our best Command 50th x cow. She sells calfhood vaccinated.

GOLDEN CHAIN 5th x — This is a daughter of Four Dees Command 50th x that is almost a full-sister to the Golden Chain that Darrell Bandy purchased at \$925 in the Four Dees Sale. She is smooth and clean and could stand a lot of showing this year. To make her even better, she is from a dam by Bertha's Royal Leader x. The Golden Chains are good brood cows. Golden Chain 5th x sells calfhood vaccinated and open.

THE FAIR ACRES CONSIGNMENT

For years Miles Mann has been quietly breeding good, big Polled Shorthorns at his Fair Acres Farm, Woodbine, Iowa. In times when many followed the fad of little, boxy show cattle, he continued true to his belief in Polled Shorthorns of size that could forage and thrive on his rough Iowa hill pastures. Today that steadfastness has paid off in a herd of Polled Shorthorns that meet the most modern requirements. His cattle topped the International Holiday Sale in 1970. Two of his heifers were among the very top sellers in North America in 1971. These are big, honest cattle, backed by years of the most careful breeding.

GLORIADALE CONSTELLATION x — Those looking for size and character always mark Gloriadale Constellation x. He is one of the first sons of Constellation of Bapton x, AAA, that also sired Captivator of Bapton x, AAA, formerly in service at Sutherland Farms, Prospect, Ky. The dam is Gloriadale Claret x by Gloriadale Meteor 5th x. She was one of the 10 females retained by Gloriadale after their 1965 sale. A full sister topped the Gloriadale sale females at \$2,500! His daughters are a feature of Gary Braet's New View Farm consignment.

Al's Lady Perfect x, Lot 84, was champion 4-H heifer at the Clinton County Fair for Suzanne Braet.

STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
